

JASON GILBERT

SPEAKING REQUIREMENTS

AUDIO/VISUAL REQUIREMENTS

In order to have max with impact, please have the following requirements in place before Jason speaks. If the group is more than 60 people, Jason will use a microphone preferably a head, microphone or lapel Mic (preferred). If this is not possible, please let us know. Otherwise Jason we require cordless microphone or a handheld microphone with a cord at least 4m in length. If possible, please also provide a microphone stand.

SEATING ARRANGEMENT

Jason prefers his audience directly in front of him, in theatre style – ideally, no seating behind or to the side of Jason.

WATER

Please provide Jason with a bottle of water, preferably sparkling.

DATA PROJECTOR

Jason will be bringing a USB and prefers to plug in his USB into a laptop. Alternatively, he will have his own laptop which can be plugged into a data projector if required.

WHITEBOARD

For sessions longer than 60 minutes, please provide a whiteboard and two markers of different colours.
